

On May 6, 2011, during the Polish-Lithuanian-Russian Economic Forum in Kajkowo, near Ostróda, a partnership agreement was signed between Ostróda County and the Kaliningrad Regional Association for development of tourism - "InfoTour" (Kaliningrad Oblast) of the Russian Federation. The agreement aims to promote inclusiveness and networking, initiation and implementation of integrated actions for development of tourism and economy of the regions as well as to increase tourist traffic and to improve the relationship between citizens of the neighbouring countries. The agreement will serve as basis for creation and implementation of joint projects and activities in the field of development and promotion of tourism.
